

Cell Phones for Soldiers™

On behalf of Cell Phones for Soldiers and the troops that benefit from your generous donation, thank you! Each donated used mobile phone allows Cell Phones for Soldiers to fulfill the mission of providing service men and women with the opportunity to communicate with loved ones for free.

Thanks to kind people such as you, we can provide enriching experiences to soldiers overseas who cannot talk to their families often. One phone call can truly make a difference.

To date, Cell Phones for Soldiers has raised more than \$7 million and provided more than 90 million minutes of free talk time. Due to the mobile phone recycling program, more than 7.5 million cell phones have been recycled since 2004, thus reducing the impact on landfills.

As an advocate for Cell Phones for Soldiers, please encourage family and friends to support our troops by making a cash contribution today or donating a mobile device to the program.

Again, we want to express our gratitude for your contribution. The success and growth of this program is directly impacted by your considerate support.

Many thanks,
